Business Incubators

Recycling Lives supports entrepreneurial talent and business start-ups with specially designed Business Incubators.

Expert help and support when you need it

We offer affordable, professional facilities and mentoring, banking and accountancy services.

A winning service

Every Recycling Lives centre boasts high-quality, affordable Business Incubators, giving new companies a professional base from which to operate.

This premium space is offered at deliberately low rental rates in order to support promising new businesses that would otherwise miss out.

At Recycling Lives, we understand that every growing business and budding entrepreneur needs a bit of extra support from time to time.

With this in mind, we offer business support, mentoring and valuable networking opportunities within the heart of a thriving business community.

The business incubation package includes:

- Private rooms furnished with desks and chairs
- En-suite wet room with toilet and shower facilities
- Shared kitchen facilities
- Data points with broadband internet access
- Television point
- Telephone systems
- Intercom system (outside office hours)
- Mail service
- Visitor parking
- On hand business mentoring
- Networking opportunities
- Access to Recycling Lives marketing department
- Meeting and conference facilities

Recycling Lives also provides larger accommodation and warehouse space at our Recycling Park. All our facilities are fully licensed by the Environment Agency.

Why choose us?

- Premium office space offered at purposely low rates
- Tailored business support and mentoring
- Extensive monitored CCTV security
- A friendly reception service
- Automatic Chamber of Commerce membership
- Ongoing IT systems support
- Ongoing discounted services
- 24 hour secure access

There are so many benefits to working with Recycling Lives. We're a winner of the 2010 Queen's Award for Enterprise in Sustainable Development and our social welfare charity work will enhance your Corporate Social Responsibility agenda.
